THE PLUSES

Ask for your professional account to be created and order "no-queuing" tickets!

The price displayed on the ticket is the maximum recommended maximum price, making its purchase and resale price discretionary.

1 free ticket for every 25 paid tickets.

1 free lunch in our restaurants for every 25 paid lunches.

Admission to the site is also free for your driver – so be sure he takes advantage of the fact!

The Domain of Chaumont-sur-Loire is open from 10 a.m. every day including public holidays, except in July and August, when it opens at 9:30 a.m.

It really needs a whole day to make a full tour of the Domain, so we advise you to arrive early in the morning in order to get the best out of the site. Nevertheless, it is possible to take less time over your visit.
